The gate to cross Buckman Lock is a single entrance gate that has a combination lock. There is a double door gate with a keyed lock that is not for hikers. Make sure to go past that one to find the combination locked gate.

**DO NOT SWIM ACROSS THE CHANNEL!** There are alligators present and it is absolutely not safe to cross. There

The lock tenders are present 7 days a week from 6:30am to 3pm. After hours passage is only for FTA members. You can get the combination by calling the FTA office.
