

12.07.21 Map 23. Bronson SF High-Water Alternate

NOTICE TO HIKERS

Title of Notice: Charles Bronson SF - Recommend Alternate Route

Submitters Name: Jenna Taylor

Submitters Title: Central/South Trail Program Manager

Phone: (772) 242-3665

Email: JennaT@floridatrail.org

Region: Central

FTA Map No. 23

Perm. Change? No

Effective Date: 12/07/2021

Ending Date: Until removed

Description/Map:

Recommend using Blue/White alternate high-water route from Orlando Wetlands Park outflow stream to the Orange/White JCT. Orange-blazed trail through that 2.46mi section is excessively muddy, wet and uneven; tread not discernible and difficult to hike with a backpack.
