FTA Map No. 13-15
Perm. Change? No
Effective Date: 9/6/22
Description:

The Florida Trail along the Suwannee River will be flooded following recent heavy rains. While the trail is open, expect water over the trail in some low lying places.

Please check the website below for real time updates on Suwannee River levels. When the river is above 60 feet in White Springs, the Florida Trail begins to go under water.
