Welcome to the Florida Trail Association

The Florida Trail Association builds, maintains, protects, and promotes the Florida National Scenic Trail (Florida Trail), and a network of hiking trails throughout the state of Florida.

Our vision is a continuous well-maintained, protected network of hiking trails on public lands that highlight the unique natural, scenic, cultural, and historic places in Florida. These trails are open to all, connecting the diverse and growing population to opportunities for recreation and meaningful volunteer work in Florida.
